All classes are pending approval of The Construction Industries Board, as required the State of Oklahoma Statutes. Our instructors have been certified by CIB to teach CEU credited courses. OPIA reserves the right to make approved substitutions for these classes.

Contact Western Hills Guest Ranch in Sequoyah State park @ 918-772-2545 or 800-368-1486 mention the OPIA Conference for the discounted room rate.

The Oklahoma Plumbing Inspectors Association is an organization whose purpose is to provide uniform affordable instruction to persons who have an interest in the plumbing industry.

This organization has a statewide membership consisting of inspectors, contractors, journeymen, and other interested persons devoted to bettering the plumbing industry through education. This association will conduct meetings in different areas of the state to further interest in the plumbing trades.

If you have any questions please check our website www.opiaok.com or call any of our board members whose phone numbers and email addresses are listed on the last page of this pamphlet.
